

AIK PHYSICAL PERFORMANCE DEPARTMENT IS SEARCHING FOR INTERNSHIP STUDENTS FOR THE UPCOMING 2025/26 SEASON.

In AIK Fotboll Akademi, we are searching for open-minded, punctual, independent, creative, and dedicated persons, who are searching for an option turning theory into practice and who are dedicated about investing in a future career within the football industry.

AIK Akademi will both consider applicants who are currently enrolled at an educational programme or applicants who recently graduated from a relevant educational programme.

The internship students will be included in different assignments for the academy and will be under the supervision of academy S&C coach Jesse Staver

With regards to the first position at the academy, the assignments and desired qualifications are as follows;

- Support the Academy Fitness Coaches or physiotherapists with return to play programme.
- Minimum a BSc in Sports Science or another relevant educational programme
- Collecting and presenting relevant data within the Sports Science Department such as GPS monitoring, Physical Screening, Wellness-sRPE etc.
- Helping and supporting academy physical performance coaches during the physical trainings on and off the pitch.
- Carrying out warm-ups and athletic development for the younger academy groups
- Match-Day support.

In the daily life, the internship students will be based at the training ground together with the academy.

The internship position is non-paid, however AIK Akademi will help out with accommodation, include First-Team season tickets and cover travel expenses. The start date of the internship positions is preliminary in July 2025.

Do not hesitate to contact us on jesse.straver@aikfotboll.se if the above mentioned raised any questions.

Please apply no later than Monday June 16th 2025 to Head of Coaching, Andreas Janmyr, andreas.janmyr@aikfotboll.se
